Forecast For East of England
Issued by Met Office Exeter
at 0400 on Tuesday 21 Sep 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Dry and fine on Tuesday.

Today:
Any early patchy mist and fog will soon clear. Then dry with patchy cloud, but also long sunny periods. Light onshore winds will develop, keeping coastal areas slightly cooler. Maximum temperature 20 deg C (68 deg F).

Tonight:
Long clear spells overnight will allow mist and fog to reform after midnight. Perhaps with the odd dense patch in the west. Minimum temperature 8 deg C (46 deg F).

Wednesday:
Early mist and fog soon clearing on Wednesday leaving a fine morning. Cloud increasing a little during the afternoon, staying largely dry though with sunny periods. Maximum temperature 21 deg C (70 deg F).

Outlook for Thursday to Saturday:
Plenty of dry, fine weather, apart from possibly some isolated light showers on Friday. Breezy on Thursday and Friday but lighter winds on Saturday. Temperatures near or just above average.
